

# Group Visits

Pinerolo, the Children's Book Cottage promotes Australian picture books and their creators and educates children and adults about them.

Where do picture books come from?  
How are they written? Who draws the pictures?  
Listen, Look and Learn about the magic of picture books.

Margaret Hamilton, former children's publisher, welcomes children of all ages. She presents a fascinating and educational talk on the creation and publishing of picture books, supported by:

- Original artwork by some of Australia's best-known illustrators •
- Over 3000 Australian picture books •
- Reference books about authors and illustrators •
- Activity sheet for every child which makes their visit fun and memorable •

\$20 per adult, \$10 per child, duration approximately one hour.

Maximum 25. Bookings essential.
